PRO-LOG IS PROVIDING LOCAL STOCKING FOR THEIR STD MICROPROCESSOR BOARD PRODUCTS

Effective

September 21, 1981

Pro-Log will begin a local distribution plan for their microprocessor board product line. Off the shelf delivery will be available through their stocking representative network in selected locations across the United States.

The initial stocking locations will include:

Northern California

Manco
3350 Scott Blvd., Bldg. 55
Santa Clara, CA 95051

Southern California

Advanced Digital Group
15904 Strathern St., Suite 21
Van Nuys, CA 91406

New York Area

Tecnimat
500 Grand Avenue
Englewood, NJ 07631

New England States

Martindale Associates
212 Main Street
North Reading, MA 01864

Watch for additional stocking locations in the very near future!
